## **CCS Computer Science Program: Course Requirements Plan**

This plan is for requirements specific to the CCS CS Program. For each course, mark with an X the year/quarter in which you plan to complete it. When a course is completed, replace its X with the grade you received. If it is a CCS course, replace it with the number of units you received.

Course	Year:				Year:				Year:				Year:			
	F	W	S	S	F	$\mathbf{W}$	S	S	F	W	S	S	F	W	S	S
